Discussion of Stop Sign located in the 300 Block of North Park.

Rohlman commented that he has had several citizens that have expressed their frustrations to him about the stop sign in the 300 block of North Park Street. He presented the Council with plans that proposed removing the stop sign and lowering the speed limit to 15mph within that area both uphill and downhill, with optional signage directing drivers to watch for pedestrians.

Attorney Irvine commented that in order to change the speed limit, a traffic study by an engineer would have to be conducted to support the change.

Review Skid Sprayer quote for use on the sewer lagoons and the Seven Mile overflow channel.

Nations presented the Council with a quote from Northern Tool & Equipment for a 55 gallon sprayer to be used on the sewer lagoons and Seven Mile overflow channel at a cost of \$1,749 plus shipping.
